Amy, you move me. Hearken now unto me, I'll express to you my soul. When you are  
Eb F Bb Eb F Gm  
near me, can't you see I'm feeling that your loving leaves me happy and whole. My heart  
Cm Gm Cm Dm Gm Dm  
was lost in wandering through my seldom shifting world. You came and showed me finally  
Eb F  
Love encompasses us all.

It's your light and your smile and your feminine style that you use to make me well again.

Eb Bb Eb Dm Eb F  
Always your embrace, I feel your light brown tresses as they tumble softly through my

hands. In your sky-blue eyes, there's always some surprise ready to make me smile. It's

Bb  
heaven for a while.

Once I had found you, I built my world around you and I knew you really cared. Ever so

Eb F Bb Eb F Gm  
deeply, ever more I needed those loving times together we shared small acts of simple  
Cm Gm Cm Dm Gm Dm Eb  
tenderness, just talking hours on end. I cherished every sweet caress, every time I hold

F  
your hand.

You see the moments that we spend together are fresh as summer's breeze. Like the stars

F Bb Eb F  
that come to brighter glory because you are with me. In the whole wide world around me,

Bb Gm Eb F Bb  
I'm as lonely as the peak of the highest mountain standing, so won't you be with me.

Bb Eb Bb Eb Dm Eb  
Give me your light and your smile. I'll be with you all the while, and I'll always make you

F Bb Eb Bb Dm Eb F  
well again, hold you in my embrace, lovingly caress you as I tell you softly you're my friend

Eb B F Dm Eb F  
You see through my disguise, I can't go back inside. It's wonderfully true. I'll live forever

Bb  
And ever with you.
