

## Music Fills our Troubled Hearts Bb

Bb Eb F Bb  
Music: it fills our troubled hearts and sojourns where words can never calm impart. So  
we

Gm Dm Eb Bb  
know this way our hopes and fears become as one and downcast outlooks are overcome

by what's just begun.

Our memories are intimately linked to the past. The present can't seem to make the

moment last. The future is not so easily defined. Music comes in and heals the heart and

mind.

My part in all of this is to be told. I listen, music comes to my soul both sweet and bold

Gm Dm Eb  
from someone, somewhere who is at once both near and far, I play it for you adding a

Bb  
portion of my heart.
