

The Lyin' Cowgirl Bb

Bb Gm F Eb
Through the nights we danced and you held me near. There never was a chance for me
Bb Eb Bb Eb F Eb Bb
to have any fear. Now you're out late stayin' with your cowboy friends and they're sayin'
F Eb F Eb F Bb
that the love we had was about as bad as a ten-cent glass of beer.

Well, let me tell you somethin',

CHORUS:

Bb Gm Cm F Bb
One long tear I cried for you, I never thought you'd lie, not you. When you turned and
Gm Em Eb F Bb Gm
walked away, I couldn't hide my heart was in pain. I'm tired of all these lonely nights
Cm F Eb F Bb
I miss the way we tripped the lights. If you say we're through, I guess I played the fool.

Bb Gm F Eb Bb
You told me that I never did quite understand. The times we spent together, you loved
Eb F Eb Bb F
another man. I can't deny my feelings, my heart keeps on revealing that your lonely soul
Eb F Bb
will never know how much you could've had.

Chorus.

Bb Gm F Eb Bb
Just one thing's left to say before I'm through. No matter where you go, or what you
Eb F Eb Bb F
say or do, I hope you find love rewarding. As through those men you're sorting, try to
Eb F Bb
find someone who loves you as much as I loved you.

Bb Gm Cm F Bb
So one long tear I'll cry for you, It's finally good-bye, it's true. Find someone else,
Gm Em Eb F Bb Gm
someone you want and stay with him till heaven's gone. I thought you were the one for
Cm F Eb F Bb
me, it's finally time I set you free. No matter what I do, you and I are through.
